Carson Valley Trails Association Fact Sheet

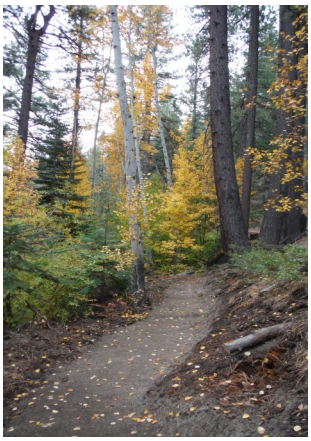
01/2021

Mission: The Carson Valley Trails Association is a nonprofit volunteer based organization working with partners to provide access to public lands through a recreational trail system for present and future generations to enjoy.

Vision: Connecting people to the outdoors through a system of trails.

Brief History:

- Formed in 1994 as a Nevada 501(c)(3) non-profit organization
- Partnered with the American Land Conservancy to purchase the Fay-Luther Trailhead in 1999 and deeded it to the U.S. Forest Service in 2000
- Assisted Douglas County with the Comprehensive Trails Plan in 2003
- Cooperative agreements or working relationships with Douglas County, U.S. Forest Service, Bureau of Land Management, Alpine County, Tahoe Rim Trail Association, The Nature Conservancy, Washoe Tribe, Carson City, Nevada Division of State Lands and State Parks, private landowners and many other entities.



Completed Projects:

- 9-mile Fay-Luther/Jobs Peak Ranch Trail System—Southwest Carson Valley (2010)
- 5-mile Bently Heritage Trail—North Carson Valley (2010)
- 16-mile Genoa Trail System—West Carson Valley (2012)
- 5-mile Pinyon Trail—Southeast Carson Valley (2015)
- 15-mile Clear Creek Trail System—Northwest Carson Valley (2018)
