PROJECT

Tools of the Trade

Saws for trimming tree branches and roots

A pick ax for the heavy duty rock clearing= my favorite!

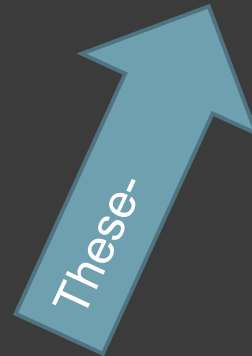

Safety first, always.

The McLeod-firefighters use it to clear brush and so do trail builders! 😊

Dangers of the Trail

Scorpions-They like to hide under rocks.

These-

And these

Can be dangerous, too.

Rewards of the Trail

Fun times- they're always good!

Rewards of the Trail (continued)

Lots and lots of new friends! 😊

Rewards of the Trail (continued)

Delicious treats like ice cream after a hard day's work! 😊
