

Thank You!

Our “Love Your Trails” Fundraising Challenge has been a tremendous success. **With your support, we have raised the required \$25,000 match for the challenge grant given to CVTA by the Bingham Charitable Fund at the Community Foundation of Western Nevada BEFORE the March 31st deadline!** CVTA thanks everyone who has supported the “Love Your Trails” Fundraising Challenge.

We also thank the volunteers who contributed their time to plan and present the great, sold-out “Love Your Trails” fundraiser, with special thanks to:

- ♥ Doug Lubushkin who provided live music throughout the evening and served as auctioneer for the live auction;
- ♥ Kathleen Contento, Diane Ericsson and Denise Contento who prepared the delicious chili supper;
- ♥ Members of the Douglas High School Environmental Club who served the dinner and assisted with clean-up afterward;
- ♥ Kerstin Wolle and all of the “Love Your Trails” fundraiser committee members and volunteers.

We will continue accepting “Love Your Trails” donations until the March 31st challenge grant deadline. **Your donation by March 31st will help us go beyond our \$25,000 match!** Funds raised will support ongoing and future trail projects within the Carson Valley.
