

TRAIL CONDITIONS UPDATE- July 15, 2017

Bently Heritage Trail:

The trail system is open. The eastern half of the trail system is dry. However, some areas on the west, river side of the loops are may still have ponded water where the trail crosses oxbows and low spots. Very hot this time of year to hike this trail except during the early morning hours. Some of the western and northern half of the trail system may be grown over with grasses and forbs due to recent inaccessibility. All beach spurs may still be under water.

Clear Creek Trail:

Trail is all open

Fay-Luther/Jobs Peak Ranch Trail System:

Trails are all open

Genoa Trail System:

Trail is all open

Pinyon Trail:

Trail is all open
